**Brantford Power Asks
Customers to Take
Action for Earth Hour**

More than 162 countries and territories worldwide participate in Earth Hour. Starting in 2007, this global climate change initiative run by the World Wildlife Fund, calls on individuals and businesses to turn off non-essential lighting for one hour to raise awareness about the need to conserve energy to help fight climate change.

Join the effort on **Saturday, March 28** from **8:30-9:30 p.m.**

Recall Notices: Know Exactly What You're Buying

The Electrical Safety Authority posts a list of electrical product recalls you should be aware of.

Review the list at www.esasafe.com

Safety First

Please give our Brantford Power crews a wide berth when you pass them on the road. Our staff work hard to keep your electricity distribution system safe and reliable.

RECEIVE UP TO \$650*

on eligible central heating systems and ENERGY STAR® qualified central cooling systems purchased and installed by a **saveONenergy** participating contractor.

Most importantly, once your installation is complete, you can save up to \$325[†] a year on your electricity costs.

For more details or to find a participating contractor, visit saveONenergy.brantfordpower.com or call **1-877-797-9473**.

Subject to additional terms and conditions found at saveonenergy.ca. *Incentives are available for installation of eligible equipment completed between Jan. 1st and Dec. 31st, and submitted no later than Feb. 1 of the year after the purchase and installation of the eligible equipment. Equipment must be purchased from and installed by a participating contractor. **\$250 incentive** with the purchase and installation of an eligible furnace. **\$250 OR \$400 incentive** with the purchase and installation of an eligible central air conditioner system. [†]Annual electricity cost savings are estimated based on past program experience. Actual savings may vary. Funded by the Independent Electricity System Operator and offered by Brantford Power Inc. [©]Official Mark adopted and used by the Independent Electricity System Operator. Used under licence.
