Dear Ms. Walli:

**RE: ED-2018-0020 Brantford Power Inc. IRM Application for Rates Effective January 1, 2019  
Updated Excel Rate Generator**

BPI has become aware that the original 2019 Rate Generator model **excel attachment** submitted on August 13, 2018 unintentionally contained a preliminary draft of the model. BPI notes the Rate Generator **PDF document** included as Attachment A to its written application which was also submitted on August 13, 2018 **is correct as originally filed**. BPI is filing the correct version of the **excel model** today, which matches Attachment A to the PDF document, and is labeled "Corrected\_2019-IRM-Rate-Generator-Model-20180824.xlsb".

Please do not hesitate to contact me with any questions,

Sincerely,

*Original Signed by*

Oana Stefan
