

## Design Technician

GrandBridge Energy Inc., formed in May 2022 as the result of the merger of the former Brantford Power Inc. and Energy+ Inc., is the seventh largest municipally owned electricity distributor in Ontario. GrandBridge Energy delivers safe and reliable electricity to 109,000 customers in the City of Brantford, the City of Cambridge, the County of Brant and the Township of North Dumfries. The team provides safe and reliable energy solutions that are strengthened by an unwavering commitment to service excellence.

The Design Technician is responsible for the design of overhead and underground projects, preparation and issuing of work orders, detailed estimates, material lists and street light design projects. They are also responsible for the preparation of distribution standards, specifications, and evaluation of tenders. The position covers duties for Service Coordinator, Underground Inspector, and Mapping and Surveying Technician's during periods of vacation or peak activity.

Additional requirements include:

- Ability to provide an effective and courteous interface to customers, and co-workers.
- Excellent time management skills and demonstrated ability to manage multiple projects and work within tight timelines.
- Previous experience in the design of electrical distribution systems.
- Strong computer skills and proficiency with AutoCAD, Microsoft Office products, PLS CADD and Lighting Software.

This position will appeal to a highly motivated self-starter who can make a significant contribution to a changing environment. Applicants must have proven leadership skills in a project management position in an electrical utility or related environment, as well as superior oral and written communication, interpersonal and presentations skills. A high level of computer competency is also required. A College diploma as an Engineering Technician or Technologist with a C.Tech. or C.E.T. designation is required, and progressive experience is expected. A valid driver's license must be maintained.

**Employment is contingent upon your provision of proof of being fully vaccinated against COVID-19. If you are unable to be vaccinated due to medical reasons or based on creed, we would ask that you kindly provide satisfactory evidence in support of an accommodation under the Human Rights Code**
